

SHORT PROJECT PROPOSAL TEMPLATE

Website-friendly | editable | brand-safe

[Project / Property Name]

Proposal prepared by New Era Designs for a clear, premium, and implementation-ready brand environment.

PREPARED FOR

[Client Name / Company]

PROJECT TYPE

[Wayfinding / Brand Systems / Signage / Proposal]

DATE

[Month DD, YYYY]

PROPOSAL ID

[NED-0000]

EXECUTIVE SUMMARY

Use this space to define the project at a strategic level. State what the client needs, what problem the work is solving, and what outcome the proposal is designed to support. Keep the tone concise, clear, and decision-ready.

Suggested length: 3-5 sentences. Avoid overexplaining. Lead with the business and environmental objective.

PROJECT OBJECTIVES

Business Objective

[What should improve: tenant visibility, leasing clarity, navigation, presentation quality, or brand consistency?]

Visual Scope

[List the visual system being addressed: signage, collateral, criteria manual, storefront hierarchy, environmental graphics, or presentation assets.]

Operational Impact

[Explain how the work supports approvals, execution, vendor alignment, or faster decision-making.]

Template direction: premium, editorial, controlled, and suitable for website presentation.

Project Scope, Deliverables, and Commercial Terms

PROPOSED SCOPE

- [Define the workstream in 4-6 bullets.]
- Strategic discovery and project alignment
- Visual system direction and layout development
- Design refinement, review rounds, and presentation packaging
- Final file delivery and implementation notes

KEY DELIVERABLES

[Deliverable 01]
[Deliverable 02]
[Deliverable 03]
[Optional add-on or phase note]

TIMELINE

Phase 01	[Discovery / direction]
Phase 02	[Design development]
Phase 03	[Refinement / final delivery]
Duration	[X-X weeks total]

INVESTMENT SUMMARY

Base project fee	[\$0,000]
Optional add-ons	[\$0,000 or as needed]
Estimated total	[\$0,000]
Payment structure	[50% upfront / 50% at final delivery]

ASSUMPTIONS + NOTES

[State review-round limits, client-supplied materials, fabrication exclusions, or implementation assumptions.]
[Add a line if pricing excludes tax, permitting, engineering, or third-party production.]

NEXT STEPS

1. Confirm scope and preferred start date
2. Approve proposal and payment schedule
3. Begin discovery, audit, or kickoff materials

Approval

[Authorized signature / approval name]
